| | 4 1/4-20 x 3/8 Set Screws |
| 308816 | 1 Installation Instructions |

Please read and understand entire instructions before starting installation.

THANK YOU FOR CHOOSING KÜRYAKYN!

PLEASE NOTE

It is the installers' responsibility to make sure all fasteners (including pre-assembled) are tightened before operation of motorcycle. Kuryakyn will not warranty components that are lost due to improper installation. Periodic maintenance may be required.

TOOLS SUGGESTED

Allen wrenches, combination wrenches.

PROCEDURE

STEP 1 Remove the stock footpeg. Save the fastener.

STEP 2 If not already installed, install two set screws into the back of the splined adapter. Install the set screws backwards, with the Allen heads inside the adapter body. See PIC.1.

STEP 3 Install the splined adapter into the mount. Use the "D" spring washers as needed to fill any excess space between the adapter and the mount. Secure the splined adapter with the stock fastener. See PIC.2.

STEP 4 The set screws adjust the angle of the foot peg and prevent the splined adapter from pivoting too far upward. To find the correct angle, place the foot peg on the adapter and visually determine if you would like a steeper or flatter angle. Adjust the depth of the set screws to suit your preference. You can access the Allen head of the set screws via the clearance holes in the front of the splined adapter.

STEP 5 Install your new Kuryakyn footpeg or floorboard. Repeat STEP 1 through STEP 5 for the opposite side.

LIMITED WARRANTY

Kuryakyn warrants that any Kuryakyn products sold hereunder, shall be free of defects in materials and workmanship for a period of one (1) year from the date of purchase by the consumer excepting the following provisions:

- Kuryakyn shall have no obligation in the event the customer is unable to provide a receipt showing the date the customer purchased the product(s).
- The product must be properly installed, maintained and operated under normal conditions.
- Kuryakyn makes no warranty, expressed or implied, with respect to any gold plated products.
- Kuryakyn shall not be liable for any consequential and incidental damages, including labor and paint, resulting from failure of a Kuryakyn product, failure to deliver, delay in delivery, delivery in nonconforming condition, or for any breach of contract or duty between Kuryakyn and a customer.
- Kuryakyn products are often intended for use in specific applications. Kuryakyn makes no warranty if a Kuryakyn product is used in applications other than intended.
- Kuryakyn electrical products are warranted for one (1) year from the date of purchase by the consumer. Components of Kuryakyn products containing L.E.D.s will be warranted for defects in materials and workmanship for 3 years from the date of purchase.
- Kuryakyn makes no warranty of any kind in regard to other manufacturer's products distributed by Kuryakyn. Kuryakyn will pass on all warranties made by the manufacturer and where possible, will expedite the claim on behalf of the customer, but ultimately, responsibility for disposition of the warranty claim lies with the manufacturer.
